Hello Paul:

I am over at Bet-Air now
Rick + Chas. Middleton is working here too, this
is sure a good place to work it has Flint-
ridge beat and mile there isn't any body here
yelling at a fellow all the time and talk
about eat any thing you want and 2 wait-
resses waiting on the table, I didn't get over
to Glendale before I came out here, have
you been over lately? I do not suppose
there is any chance for a job for 2 months
yet but I wish you would let me know
just as soon as there is, I don't get any days
off here so I can't get over now but I sure
want to get on as soon as possible how
much longer are you going to be at Flint-
ridge, will close as it is time to go to work
come over some day when you have a day
off you can find the place easy enough

Ans soon
