Dear Mr. Bell:

I want to thank you personally for your Money Order in the amount of \$10.00 for Five shares in the CONSOLIDATED VIRGINIA & ANDES CORPORATION, and welcome you into the rapidly growing family of CONSOLIDATED VIRGINIA & ANDES shareholders, and to congratulate you upon your foresight and vision in making this wonderful speculative investment.

Your receipt for same has already gone forward under separate cover. I have instructed the office of the CORPORATION in San Francisco, California to issue you Five shares with the request to mail your certificate promptly.

May I take this opportunity to urge upon you the necessity of immediate action on your part if you wish to obtain more shares in this discovery of a vein of typical Comstock Bonanza ore upon the surface of the properties of the CONSOLIDATED VIRGINIA & ANDES CORPORATION near the Andes shaft.

In the face of this discovery, it is only natural to assume that the possibility of the complete withdrawal of these shares from the public market is only a matter of time; therefore, I urge you to purchase your additional shares in the CONSOLIDATED VIRGINIA & ANDES CORPORATION immediately, before the opportunity is forever gone. Another fact to bear in mind is the possibility of a price raise, which has now been announced for May 15th. May I urge you to act immediately.

Yours very truly,

AMERICAN INVESTMENT COMPANY
