My dear Friend Paul,

Today I was thinking about you and I thought I will drop you a few lines. I am still at Amado but hoping to leave soon. How is Maxine are you making good one lad. Out here is everything on the bum, in your last letter you told me that you will come out here and I wish you would so I could talk everything over. Tula Valenzuela got married what Henry Procter also Beatriz Tom Finleys Wife she married a fellow what the name Fred Ott. Is Frank still what you give him my best Regards. Well I am going to harvest my barley crop and then I dont know what I will do, I dont believe that I plant again so please let me know by return mail how Mexico is. To Germany I dont know when I will go. Well hoping you are feeling good and write me soon I remain  
 as ever your friend  
 Best regard from my Wife and  
 all of the Family Mesquero,  
 Rudolph.
