Dear Paul, Dear Lee, Dear Ken and Dear Children!

Rosl and I want to say THANKS for your nice and thoughtful Christmas-Cards. They made us very happy. Yes, you can write as often as you want. A girlfriend of mine always translates your letters and also writes my letters to you. She wants you to excuse her if she doesn't write correct as she wants to, because she says her English is not perfect. But she is always willing to do her best in our mutual correspondence.

Dear Lee, the address of Erika in Germany is the following:

Frau
Erika Ludwig,
85 Nuernberg
Belgarderstr, 12.
GERMANY.

It will be a great joy for Erika to get letters from you. With what a joy she will answer them!

We are very glad to know that Paul spent Christmas in San Manuel and so you were all together.

We wish you all a very Happy New Year and many Blessings, also for your dear Parents, dear Ken.

My address is still the same. I am still waiting for my turn in my "new Home".

Happy New Year again and a big "abrazo"

with love

your

Tante Erika
